REVISED GUIDELINES OF PROJECT “UNNATI” ON SKILLING OF MAHATMA GANDHI NREGA WORKERS

Introduction

The Mahatma Gandhi National Rural Employment Guarantee Act 2005 aims at building sustainable livelihoods for the rural households. The main thrust is on providing unskilled manual work for 100 days to the eligible rural households. In a growing economy, it is imperative that the workforce is migrated towards skilled work so that their incomes increase permanently in a significant manner. In pursuance of this objective, a Project for Promoting Skilling of Mahatma Gandhi NREGA workers has been formulated.

2. This project “UNNATI” intends to upgrade the skill-base of the Mahatma Gandhi NREGA workers, and thereby improve their livelihoods, so that they can move from the current partial employment to full employment and thereby reduce their dependence on Mahatma Gandhi NREGS.

3. Current Training programme for Skilling:-

i. Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY):-

- a. DDU-GKY is uniquely focused on rural youth between the ages of 15 and 35 years from poor families. In case of special groups, the age group shall be upto 45 years as per guidelines. It is a demand-driven nation-wide placement-linked skill training programme funded by the Ministry of Rural Development (MoRD). This programme ensures a minimum salary of Rs.6,000/- per month or the minimum wages after a three month training course. It also provides post placement support to candidates as well as career progression support to training partners.
- b. Under DDU-GKY, as per the guidelines, if a candidate is trained in any job role by a PIA then it is mandatory for the agency to place the candidate on wage employment (70% of all the candidates are to be placed). Under DDU-GKY candidates get free of cost training including lodging, boarding,

transportation and other miscellaneous cost.

- c. DDU-GKY provides funding support for placement linked skilling projects ranging from Rs.37,439/- per person to over Rs.1.86 lakh depending on the duration of the project, residential or non-residential.
- d. DDU-GKY projects are being implemented by 571 PIAs under 1263 project in 1443 training centre across the country.

ii. Rural Self Employment Training Institute (RSETI):-

- a. Under RSETI, any unemployed rural youth in the age group of 18-45 years having interest to take up self employment or wage employment and having some basic knowledge in the related field can undergo training in RSETI.
 - b. It provides short term residential training with long term handholding support to the youth. Some RSETIs also offer off-site training to youth depending upon the ground situation and feasibility. There are 582 functional RSETIs in the country.
 - c. Under RSETIs training on 56 job roles are being provided. All these job roles are NSQF aligned.
 - d. At present RSETIs offer training in 61 vocations classified under four major areas viz. agriculture, processing, product manufacture and general entrepreneurship development programme. RSETIs have trained 29.52 lakh youth, of whom 19.95 lakh have been settled. At present, post training handholding support is provided to the RSETI trained candidates for a period of two years after completion of the training. Also Alumni associations are established by the past trainees in the name as ASARE (Association of Successful Alumni of RUDSETI Training Entrepreneurs) in many centers and similar Associations are being proposed in other RSETIs also.
- **Krishi Vigyan Kendra (KVK):-** KVKs are associated either with Agriculture Universities, ICAR Institutes, NGOs and State Department of Agriculture. Out of 450 Training Institute, 426 KVKs are having full infrastructure and training imparted to 16400 candidates during FY 2018-19. Normal batch size is 20 candidates. Each KVK is equipped with 6 (six) scientific staff and 3 (three) technical staff for imparting training. KVK provide training for trade related to agriculture sector. The list of such trades is annexed. KVK provides free of cost training to rural youth and farmers with funding support provided by Department of Agriculture, Cooperation and Farmers Welfare under Rastriya Krishi Vikas Yojna

(RKVY).

- **Past experience:** - A skilling project named “Project-LIFE” was implemented through DDU-GKY for Mahatma Gandhi NREGS beneficiaries. This was a convergence project between Mahatma Gandhi NREGS and Skill division of MoRD with a support of SRLM associated with NRLM division of MoRD. Project-LIFE was having three components for skilling as produce below:
 - Plan for Skilling for Wages
 - Plan for Skilling for self-employment
 - And Plan for Livelihood Upgradation

A target was identified for each category of plan. The detail of individual plan for skilling is as under:

Sl.No	Skilling for wages	Candidates to be trained (Target)	Training Completed
1	Skilling for Wages	119524	45390
2	Plan for Skilling for self-employment	141197	49598
3	And Plan for Livelihood upgradation	109081	48903
	National/Total	369802	143891

The experience of Project LIFE reveals that the following factors may have contributed to the performance being below the desired level:

- I. There was no provision for compensation of wage loss (stipend) for Mahatma Gandhi NREGA family member undergoing training.
- II. There was no formal inbuilt mechanism for monitoring of implementation of the project in the project guidelines.
